On March 29, 2023, Governor Healey signed into law a supplemental budget bill that extends the temporary provisions pertaining to the Open Meeting Law to March 31, 2025. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body being physically present at a meeting location and to provide "adequate, alternative" access to remote meetings. The language does not make any substantive changes to the Open Meeting Law other than extending the expiration date of the temporary provisions regarding remote meetings from March 31, 2023, to March 31, 2025.
